

Words on Abortion

An Invitation to build a Culture of Life

January 1, 2012 – URGENT AND IMPORTANT MESSAGE: ARMY OF PRAYER

Our Lady is in white and gold. She says: "Praise be to Jesus. Dear children, it is important that you realize that abortion is the key issue which is bringing about the demise of mankind. If abortion was defeated, the path of reconciliation between the heart of the world and God the Father would be laid bare. Then you would see wars cease, economies stabilize under righteous leadership, moral degeneration reversed, disease and famine greatly resolved and natural, as well as manmade disasters, lessen."

"For I tell you, evil begets evil. Remember, dear children, **one Hail Mary said from the heart can stop wars, heal diseases, change hearts and bring victory of righteousness over evil. Therefore, I have come to mobilize an Army of Prayer – not just here, but around the world. I call it ONE ROSARY A DAY FOR LIFE.** This is your Heavenly Mothers call to arms. Be united in this effort, dear children, as I call you to be. Jesus and I will help you spread One Rosary a Day for Life around the world."

"You do not need anyones approval to pray or to evangelize prayer. You should encourage people from every part of the world to enlist in this army of prayer."

"I am always your Mother, your support, your partner in all that is good; but this Army of Prayer must be spread quickly to be effective – and, so, it is My most precious and personal project. Make it known."

Jesus Says: "I am your Jesus, born Incarnate. I invite you to understand that the value of anything is determined by the opinion of the world. If the world holds something as rare or priceless, then it is so; but today, life in the womb often is not valued as the

January 5, 2012

Blessed Mother says: "Praise be to Jesus. Please ask every priest whom you can to promote **One Rosary a Day Against Abortion**. This is My Army. I enlist your aid."

January 18, 2012

I am your Jesus, born Incarnate. As with all attitudes in the world, acceptance in the heart is first; then, and only then, does the belief or attitude spread into the world. It is so with political error: **abortion**, homosexuality – even the embrace of false religions – indeed, every sin."

"This is also true of Holy Love which, when embraced in the heart, establishes the New Jerusalem within the soul itself and in the world. So you see, this same maxim works for good as well as evil. I have come to begin the establishment of the New Jerusalem in hearts and in the world. Since Holy Love is the New Jerusalem, this Mission is the foundation of My Kingdom."

"Though many have tried to chip away at this foundation, none shall succeed. What is begun by My Hand will continue to grow and to flourish both in hearts and in the world. Those who oppose Holy Love do not rest with favor in My Heart, for in so doing, they set themselves against the Commandments."

"Oppose only that which is evil. Do not set yourselves against good."

January 28, 2012 – Feast of St. Thomas Aquinas

Thomas Aquinas says: "Praise be to Jesus. Each one has their own responsibility as to their salvation and personal holiness. Once the soul is introduced to Holy Love, his responsibility is even greater. The essence of holiness is selflessness. This encourages prayer and sacrifice. These days you can see that governments have led people into the delusion of self-fulfillment as their only goal. Sin is legalized through such self-centered moral degeneration. Religious leaders fail to renounce **abortion** and same sex marriage publicly for fear of loss of revenues."

"And in all of this, the Truth is buried; the path to salvation obscured. These days it is important to keep your focus on serving instead of being served – on loving instead of seeking to be loved – on defending the truth instead of attacking the truth."

"Your nation and the world will, of necessity, undergo a general catharsis, purging every heart of Satans lies. It is then souls will be given the clarity of correction to see why and where they have fallen from the path of light. Holy Love is the preparation of this purging, and the light souls will understand that they must pursue. Stay on course."

St. Catherine of Siena says: "Praise be to Jesus. As with every generation, there is Gods Law and there is mans law present in the world today. The two should be supportive – one of the other. When man imposes his free will in opposition to Gods Law, the righteous must stand up in defense of Gods Divine Will, which is represented by His Laws. **Mere man must not dictate matters of conscience. Therefore, no one – no matter his station in life – can say you must freely support birth control and abortion.** No one can dictate that you must not come to the

property here to pray. Although this has never been stated, many have been misled to believe so. This is an age when you must be certain of your God-given rights, and not be afraid to practice them. Do not be intimidated by power and title. **Come against those that oppose good with your prayers.** If you do not, you lend strength to evil intentions. The enemy does not want you to know these things. His smoke is all around every good effort, trying to eliminate it. Pray that he doesn't succeed."

May 13, 2012 – Feast of Our Lady of Fatima

Blessed Mother says: "Praise be to Jesus. Today, on the day of commemoration of My apparitions at Fatima, I have come to address the world at large. The decades that have passed since God sent Me to Fatima have not borne the good fruits of love, peace and unity which the Fatima message was intended to bear. Self has become a new god – the god of hedonism. **New war fronts continue to be established around the world, and none of them find resolution in Holy Love. Lives are continually lost in the battlefield of the womb. Gods Commandments carry little purpose today. Gods Will is disregarded. You cannot become a godless country and expect to prosper.** You cannot withdraw from the Will of God and be at peace. My warnings at Fatima were left unheeded, and you experienced the loss of millions of lives in World War II..."

May 13, 2012 – Mothers Day

Blessed Mother says: "Praise be to Jesus. On this Mothers Day, I celebrate and console all mothers around the world. As the Mother of all mankind, I celebrate the giving of life and the nurturing of life. I console those mothers that have lost their children through abortion, disease or any other human tragedy. I console mothers of wayward children. I console, as well, those mothers who feel neglected. In My role as universal Mother, I have experienced misunderstanding, indifference and neglect. Regard, however, the humility of My Heart, which continues as a conduit of grace for all humanity. It is only through Gods Will that I can continue as a loving Mother to all, and that I can continue in a humble outpouring of selfless love despite the transgressions against good. May God be praised, for He alone is the Source of

Humble Love. Therefore, I invoke all mothers to allow their hearts and their lives to resemble humble love – always forgiving – always making allowances. In this forgiveness, you must also forgive self, as God has no memory of sins you have repentance of.* Humble love leads you to trusting love in Gods Will for you. Trusting love leads to peace. Be at peace, not only today, but always.

*Note: Catholics are reminded that forgiveness of sins requires an Act of Contrition within the Sacrament of Penance or Contrition. God, then, has no memory of those sins repented. "

Once again I (Maureen) see a Great Flame. A voice says: "I am Eternal Love – God the Father. I am All Love. Everything I create I create out of love. **Every soul in the womb is My Creation of Love. It is mankind's opinions that challenge this and destroy My Handiwork. Every soul I create is a Gift of My Love. Every life is a special grace with its unique talents and response to grace; but because man destroys My Creation, the future is changed forever.** Honest and truthful leadership has been destroyed. Many vocations will never be realized. Scientists will never discover cures for certain diseases as they would have – had they lived. **Your natural environment has, as well, been victimized as My Protective Hand withdraws with every abortion.** Mankind's hope is in imitating My Love through Holy Love. Learn to recognize your actions and opinions which oppose Holy Love. Decide to please Me, as much as I desire to please you. I do not want to show My Hand of Justice. **I do not want to chastise the innocent, such as you are doing when you take innocent lives in the womb.** Surrender your hearts to Holy Love. Listen to your Loving Fathers plea. Turn your free will towards good, and not evil. No longer offend Me."

"I am your Jesus, born Incarnate. These days, man has chosen love of technology over the love of God. He assumes all credit for his technological feats when, in fact, all knowledge comes forth from My Fathers Permitting Will. Mankind is using technology to race towards his own demise – a fact he is blind to. He sees modern

advances as new ways to destroy God-given life. The fact that life issues and moral issues are given space in the political arena bespeaks the state of moral degeneration today. This is why My Voice must not be silenced or disregarded here in these Messages. Your pilgrimages here are encouraged by Heaven as worthy sacrifices, although they are discouraged by man. Some use all their power to discredit My efforts here. I cannot wait for endorsements. More lives are at stake now than even at the time of Fatima. Listen to My appeals. Amend your lives."

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate. "I am your Jesus, born Incarnate. Today Alanus* did many small but important favors for you. The angels are always ready to help each person, and often do. But they are most helpful when they are asked for assistance. It is then that they work silently in the background to bring about positive effects. Angels do not only work in small ways but in significant ways, as well. You can pray to the angels of politicians and whole bodies of government at once. Did you know that your Congress and your Supreme Court has ruling angels over them? The angel that tries to guide Congress is Constant. The angel that tries to guide the Supreme Court is Micah. Pray that their influence is effective."

Blessed Mother says: "Praise be to Jesus. Please understand, dear little children, that living in Holy Love carries with it the responsibility of always supporting life in the womb. This means that given a choice between two political candidates, you must support the pro-life candidate. This is true even if there are other issues this pro-life candidate supports that you do not agree with. It holds true even if there are characteristics in the candidates personality you do not like. I tell you this, for the battle over life in the womb is the war which must be won. The womb is the battleground which will determine the future of your country. Make it known."

THE FEAST OF THE HOLY ROSARY – October 7, 2012

Our Lady is here as Mary, Refuge of Holy Love, and is holding a rosary of all white rose buds like on Her statue in the Field of the United Hearts. She says: Praise be to Jesus."

"Today, dear little children, I have come to tell you that your rosaries are the key that unlocks the door to untold graces. The rosary is a decisive weapon against evil. It cannot be unpiloted like a drone aircraft, however. Your heart must be in the prayers you say, for this is where the power lies." "These days, your country is faced with important decisions. You need a strong leader; a leader not enamored with the importance of his office, but one who seeks the welfare of the people and the strength of this nation. Such a leader supports the Truth."

"Once again, I tell you, do not trust what someone tells you simply because of his high

office. We have seen in this Mission that this can be misleading. The same is true in the political arena. Truth, dear children, is the reality of the facts. Lying must not be considered business or politics as usual. Lying is Satans deceit."

"Dear children, do not allow yourselves to be tricked by Satan to think that your prayers and your vote do not count. Both your prayers and your vote in this upcoming election affect your future and the future of the world."

"You do not understand how the rosary works in concert with the Will of God. Nor do you comprehend the evil that threatens your national security if you make the wrong choices. I am praying for you that you see Truth for Truths sake. Then My Victory will be possible. Then the citizens in this nation will be led – not manipulated. Pray your rosary daily for My Victory and your Victory of Truth."

"Dear children, to those of you who pray My Rosary from the heart daily, I promise My eternal assistance. I take your rosaries and use them to stop wars, influence politics and international affairs, and most of all, to transform hearts into Holy Love."

"You must not have hatred in your hearts for anyone or any group. You can hate only the actions of others. You must pray for those far from the Truth of Holy Love. Realize, My dear little children, that Truth is the standard by which good is discerned over evil. Holy Love is the Truth. No one, no matter their influence, can change this."

Your Rosary of the Unborn is My weapon of choice during this present age. Your future lies in the welfare of these innocent unborn lives. Wage war with Satan with this – Heavens most powerful weapon."

"Dear children, once again I remind you that law, title or even vocation do not preclude the compromise of Truth. If Truth is compromised in any way, My Sons Dominion is diminished. Jesus does not take up His Sovereignty in a heart which does not live in Truth."

"The Holy Rosary grounds your heart in the reality of Truth."

"Dear children, your prayers are like weapons of mass destruction against Satans lies. Be assured I take each prayer and lay it on the altar of My Sons Most Sacred Heart. You hold no petition in your heart that I do not know of. Therefore, have courage. Today I am extending to you My Blessing of Holy Love."
